Re. RoHS Compliance Declaration

Dear valued SolarEdge customer,

SolarEdge Technologies Ltd. hereby declares that all SolarEdge power optimizers and PV inverters comply with the European RoHS Directive 2002/95/EC and Directive 2011/65/EU.

No SVHC substances such as: Cd, Pb, Hg, Cr, PBBs, PBDEs, DBP, BBP, DEHP, DIBP are used above the accepted threshold levels.

Sincerely,

Alon Shapira
VP, Quality and Reliability
