2.3.4. Sending on-site SUNGROW Service Personnel for repairs;

2.3.5. Repairing the defective Product in a workshop belonging to, or determined by, SUNGROW or SUNGROW Service Personnel. The transport costs of the damaged Product when sending it to the workshop for repair and the cost for the return of the Product to End- user by a transport company commissioned by SUNGROW will be borne by SUNGROW as stipulated under 2.3.3;

2.3.6. Checking installation and making recommendation for possible corrective measures;

2.3.7. Collecting the defective and replaced Products as property of SUNGROW. After disassembling the Product, the End-user / Owner / Claimant has the responsibility to store the Product in a professional manner (see item 6.4 and to repack the goods in a professional manner, best in the original packaging, ready for pickup by a transport company commissioned by SUNGROW and keep the defective Product at its cost, up to four (4) weeks to enable SUNGROW (or SUNGROW's subcontractor) to collect it. During the collection of the Product and its loading for transport, the End-user is responsible for both the adequate monitoring of the collection and in particular the loading process so that the Product is not damaged or can be damaged during the transport in particular by improper loading, which is recognizable to the End user as such.

2.4. Subsequent performance within the meaning of item 2.1. without prejudice to the provisions of item 2.3 is unreasonable, if it is unacceptable for SUNGROW in view of the value of the Product, if it were free of the defect, in view of the impact of the defect and/or in view of alternative fixes that are available and acceptable for the End-user.

2.5. SUNGROW reserves the right to require End-user to pay a deposit prior to the subsequent performance for End-users who have, or had, overdue payment in purchasing of products or service from SUNGROW, its subsidiaries or distributors.

2.6. SUNGROW may asking for signing a cost declaration letter when the owner needs a replacement shipment out without further investigation support on the claimed product. The cost for an invalid claim is limited to the product sales price, shipment and transport cost as well a reasonable handling fee of 10% but minimum 50€ in case of an invalid warranty claim. The claimant will get a report with the invoice. For alternative solutions, in case the subsequent performance shows that claims of the End-User made under the Warranty were unjustified SUNGROW reserves the right to charge the related expenses to End-user in accordance with item 5.5. (all above prices in net plus statutory value added tax, if applicable)

2.7. The period covered by this Warranty for "Residential Product" as listed under 1.3 and 1.4 and installed in the countries as listed

under 1.2 for initial operation is ten (10) years for the inverters and five (5) years for the peripheral or accessory devices The Residential Battery is guaranteed for 10 years since the installation date or a maximum of measured throughput energy as listed in the table below, whichever comes first. During this time, the Residential Battery is guaranteed to maintain a measured State of Health higher or equal to the corresponding value in the table below.

All products initially sold via SUNGROW. Start date is the date of sales to End-user (invoice as reference). In any case the standard warranty period is no more than eleven (11) years for the residential inverters and ten years and 6 months for Batteries since production date (which can be seen, inter alia, from the serial number of the Product concerned).

2.8. The period covered by this Warranty for "C&I Distribution Product" as listed under 1.5 and installed in the countries as listed under 1.2 for initial operation is five (5) years for the inverters and two (2) years for the peripheral or accessory devices including Batteries. All products initially sold via Sungrow to Distribution. Start date is the date of sales to End-user (invoice as reference) or with finished commissioning when the products have been registered within SUNGROW. In any case the standard warranty period for the inverters is no more than six (6) years since production date (which can be seen, inter alia, from the serial number of the Product concerned). For all other products, the starting point is not later than one year after initial salesfrom Sungrow to Distributor.

2.9. The best way to claim is going back the supply chain, e.g. owner to installer, installer to distributor, distributor to SUNGROW. Alternative contact points can be found under https://www.sungrowpower.com or using Sungrow's Service Portal under https://gsp.sungrow.cn/user/login

3. EXTENDED WARRANTY FOR C&I DISTRIBUTION PRODUCT

3.1. The purchase of an extended warranty for the inverters can be done via the regular Distribution channel or directly at SUNGROW. During the purchase process as wellup to twenty-four (24) months after the production date which can be seen, inter alia, from the serial number of the Product concerned the parties are free to agreeon an "extended warranty" in addition to the five-year period covered by this Warranty in accordance with item 2.8 of these warranty terms.

3.2. The Handling of the extended warranty is similar to the limited manufacturer warranty except for following:

3.2.1. The period covered by the extended warranty follows the logic of the period covered by this warranty 2.8 and will just extend the limited manufacturer warranty according theproduct purchased.

3.2.2. The details of this agreement, including the terms and conditions (in particular the price and length of extended warranty) are specified in an additional separate contract (extended warranty) to the regular sales process.

3.2.3. Should the parties agree on an extended warranty beyond the five (5) years establishedin item 2.8 of these warranty terms (extended warranty), in accordance with the separate contract on extended warranty and simultaneously with the conclusion of thepurchase contract on the purchase of the product with SUNGROW, the end user mustadditionally, at his own discretion:

3.2.3.1. Notify SUNGROW about the warranty extension.

3.2.3.2. Do a proper regular maintenance according the inverter manual valid for this product andthereof proof can be provided on demand or on a yearly basis.

3.2.3.3. Either conclude a maintenance contract with SUNGROW regarding the maintenance of theproduct to be purchased from SUNGROW,

3.2.3.4. Or conclude a maintenance contract with a third-party company regarding themaintenance of the product to be purchased,

3.2.3.5. Or perform maintenance of the product to be purchased by itself following SUNGROW'smanual indications.

3.3. The person performing the maintenance – in the event that this is not SUNGROW – shall be qualified by the countries regulation or better trained and homologated by SUNGROW and thereof proof can be provided on demand;

3.3.1. In the event that maintenance is performed by a non-qualified technician, the extended warranty shall lapse with retroactive effect up to the most recent point in time at whichit can be proven that maintenance was performed by a qualified person as requested under 3.3.

3.4. The exclusion of warranty in accordance with item 4. of this manufacturer'swarranty shall remain unaffected.

3.5. SUNGROW will cover the shipment cost as declared under 2.3.3.

3.6. SUNGROW will not compensate for any handling charge per product as stated in2.3.3.

3.7. All the warranty extension rights shall be suspended in the event of the total orpartial non-payment of the product or component giving rise to the claim.

3.8. Termination of the extended warranty by SUNGROW

Irrespective of item 4.17 of this manufacturer's warranty, SUNGROW shall have theright to ordinary terminate the extended warranty – which requires twelve months' notice to be given to the customer (discontinuation) and will take effect on the first calendar day of the month in question – if SUNGROW becomes aware that continuing to provide the extended warranty will become technically or financiallyimpossible or unreasonable in the foreseeable future. This applies in particular, but not exclusively, in the event that it becomes likely that relevant replacement partswill no longer be available on the market.

4. WARRANTY EXCLUSIONS

This Warranty does not cover any defects, damages and/or losses caused by:

4.1. Improper transportation, handling and improper delivery caused by or for whichthe Distributor, Installer or End-user is responsible;

4.2. Failure to properly store the Product before installation, unless SUNGROW hasstored the Product;

4.3. Non-compliance with applicable regulations and standards;

4.4. Improper installation, not following the Manual (however, the "applicable regulations and standards" referred to in point 4.3 above take precedence over theManual),

4.4.1. For Residential Battery, Use of an incompatible PCS (inverters, DC/DCconverters, etc.).

4.5. Use and application beyond the definition in the Manual;

4.6. Neglect, abuse, misuse, improper maintenance or lack of maintenance, as set forthin the Manual. This includes the case that maintenance is not executed by qualified personnel;

4.7. Adjustment or alteration, not authorized in writing by SUNGROW;

4.8. Modifications or attempts to repair not made by personal authorized by SUNGROW After Sales Services.

4.9. Voltage surge coming from PV array (DC side) or from grid (AC side);

4.10. Damages due to a numerous external insulation failure coming from the DC side.

4.11. Acts of nature and/ or Force Majeure such as surge, fire, flood, plagues, earthquake,and lightning;

4.12. Damage or accidents due to third parties' actions or any other reasons differentfrom the standard use of the Product;

4.15. This Warranty does not cover fuses, surge suppressors, filters, or cosmetic / opticaldamages or wear and tear.

4.16. This Warranty does not cover costs for End-user's employees and/or any thirdparties, unless stipulated otherwise in the Warranty.

4.17. This Warranty shall be void, if

4.17.1. The serial number of the Product has been altered, manipulated, or cannot be clearly identified;

4.17.2. The End-user fails to make any Product subject of a claim available for inspection, testing and correction or does not grant adequate access to the property/building on or in which the Product concerned is stored or installed or to the PV array itself, of whichthe Product concerned has become an integral part in the event the Product has already been installed.

4.17.3. When applicable, the End-user fails to proof the maintenance has been done duringthe applicable warranty period according SUNGROW's system manual following 3.3

5. END-USER's OTHER RIGHTS

5.1. Any other right not mentioned specifically in this Warranty document is out of the scope of this Warranty; contractual or statutory rights resulting out of the End-users purchase agreement with its seller remain unaffected and have to be enforced within the contractual relationship.

5.2. Without prejudice to the End-user's statutory liability claims against SUNGROW, the End-user shall first assert against the seller the Warranty rights in respect of defects to which it is entitled. The rights under this Warranty may only be assertedby the End-user against SUNGROW in a subsidiary manner, i.e. if and to the extent that the seller is not liable for defects in the Product. However, this does not apply if the End-user is a consumer. In this case, the rights arising from the Warranty against SUNGROW and the Warranty rights against the seller shall have equal priority and shall coexist.

6. END-USER'S OBLIGATIONS

6.1. To claim under this warranty the end-user shall provide following information:

6.1.1. Product and serial number

6.1.2. Copy of the invoice and if available installation report

6.1.3. A brief description of the non-conformity or defect including any failure code

6.1.4. A brief summary on activities done so far.

6.1.5. When applicable, the end-user is doing a proper regular maintenance according the inverter manual valid for this product and thereof proof can be provided on demand.

6.2. The End-user shall provide SUNGROW Service personnel free-of-cost with adequate access to the Site, with a suitable lifting tool, if necessary (upper edge installationheight more than 1,80m), and any special instructions for access to the Site. SUNGROW shall have no liability in the event that access is not provided to the Site despite previous date arrangement and End-user might be invoiced for any costsincurred by SUNGROW in the event an additional visit is required to the Site due tolack of access.

6.3. It is the End-user's responsibility to notify SUNGROW of any hazards at the Site and assure that the Site is free from hazards or obstructions, and that all safety precautions are followed at the Site.

6.4. It is the End-user's responsibility to ensure proper and professional storage of any goods in dry and shielded environment (indications for this can be found in the Manual).

6.5. Beside 2.5 and 2.6, in case the root of failure is confirmed to be out of this Warrantyby an On-site Report, Recovery Report or Repair Report, SUNGROW reserves the right to charge the related costs and expenses including but not limited to Site calls involving an inspection that determines no corrective maintenance, replacement of equipment, installation, materials, freight charges, travel expenses or labor of SUNGROW or its authorizes agents to the End-user. For subsequent performances resulting out of unjustified claims not covered by this Warranty, one servicepersonnel of SUNGROW will charge Ninety (90) EUR/hour at normal working (Monday till Friday) days; One hundred and thirty-five (135) EUR/hour in national holidays and weekend; the upper limited of a working day is One thousand (1,000)EUR as well as the upper limited of a holiday is One thousand five hundred (1,500 EUR, including the time of travel from the closest maintenance station to the claimed device and return (all above prices in net plus statutory value added tax, ifapplicable). All other warranties, conditions, guarantees or representations from SUNGROW relating to the Products hereunder, whether oral or written, express or implied, statutory or otherwise, in contract, including without restriction, any warranties of merchantability or of fitness for a particular purpose, and any such warranty, condition, guarantee or representation are hereby excluded; subject to the provisions of item 7.2. and notwithstanding any rights of the End-user under item 4.

8.2. For any other damage claims in connection with this warranty SUNGROW ServicePersonnel are only liable to the following extent:

8.2.1. SUNGROW is liable in case of intent and gross negligence;

8.2.2. In case of simple negligence SUNGROW is only liable in case of breach of cardinal duties of the Warranty. The liability is reduced to the foreseeable damage;

8.2.3. The Warranty limitations mentioned here above will be applicable unless they are against legal prescriptions currently running on each country in reference with product liability. In the event of conflict with any of those prescriptions, the nullity will affect only to that clause in particular, remaining valid the rest. In particular, it will be applicable in accordance with the European Community Directive 1999/44/CE, that applies to all products purchased tobe installed within the European Union territory.

8.2.4. For Germany, in case of personal injuries or claims under the German Product Liability Act (Produkthaftungsgesetz), SUNGROW remains fully liable
